

**CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD
NORTH COAST REGION
5550 Skylane Boulevard, Suite A, Santa Rosa, California 95403**

**CANCELLATION of September 20, 2005 Public Meeting
For
Development of the Lost River
Total Maximum Daily Load and Implementation Plan**

The CEQA Scoping meeting originally scheduled for September 20, 2005 at the Tulelake Community Center for the Lower Lost River TMDLs is cancelled.

The technical TMDLs for the Lower Lost River for excess nutrients, high water temperatures, and high pH will be developed and established by the U.S. EPA, Region 9 in San Francisco. That agency will announce opportunities for public comment.
